

Physical Education (PE) and Sports Funding at St Marys CE Primary School Edwinstowe 2017-2018

Total amount of funding received by St Marys £8,425 + additional £8000

Summary of objectives of spending:

To support the vision and ethos of the school through :

- Continuing and extending our existing comprehensive provision
- Broadening opportunities and experiences available to all our pupils regardless of ability
- Ensuring our pupils access high quality teaching and coaching by continuing to employ a specialist sports coach as a member of the whole staff team
- To improve and enhance our existing infrastructure suitable for sporting activities
- To promote and encourage a life-long love and enjoyment of sport within our pupils
- Encouraging our pupils to improve their skills of teamwork and leadership through sport
- Fostering relationships with local sports providers
- To ensure continued participation in local sports networks

Item/project	Cost	Objectives	Outcomes	Impact
Links with local sports providers	No cost	To encourage involvement in extended sporting activities by forging links with local sports providers	Golf; Tennis; Cricket; trampolining	Pupils have specialist teaching links forged with local clubs and children/parents signposted to these. Any early potential is noted by local clubs.
Provision of after school sports clubs	No additional cost – included in sports coach contract	To provide pupils of all abilities with access to sporting afterschool clubs which provide a variety of disciplines and experiences?	Minimum of 2 weekly afterschool clubs provided termly on a rotating basis including football, cricket, boccia, dodgeball, netball, Change for Life.	Afterschool clubs support further opportunities to extend a range of sports. Some afterschool clubs are established with particular emphasis on promoting school values such as belonging and equality by appealing to pupils who do not usually participate in any sport in addition to their PE lessons.
Ongoing maintenance and use of school mini bus	£1500	Reliable access to sporting events for all pupils regardless of family circumstances.	School able to take part in competitive league games and tournaments with other local primary schools. Improved participation in all events.	Mini bus continues to enable school to have a sporting profile in the community.
Support the actions in the PE Improvement Plan 2017 18 (including professional development of whole staff team)	£1000	Research / trial assessment system (current on-line system has been withdrawn) Maintain professional skills and knowledge Professional skills disseminated to staff	Comprehensive assessment system not only records attainment / progress against KPIs but participation Sports Coach has access to high quality CPD Attend relevant PE networks & PE Conference	There is a clear picture of attainment and progress in PE. HA pupils can be sign posted to further expertise All pupils can have appropriately differentiated curriculum Pupils benefit from enthusiastic, knowledgeable and skilled coaching from staff member well supported through CPD Staff feel confident in teaching PE & sport where this is required of them.
Investment in new sporting equipment	£500	To maintain and keep current our existing provision by ensuring correct equipment and kit needed is available	Good quality equipment to support the schools value places on sports and PE within the curriculum.	Replacement of worn out equipment and kit and extending the quality of equipment has enabled all 3 key stages to learn and take part from an early age.

School Sports Partnerships	£1500	Buy into the Joseph Whittaker and Dukeries School Sports Partnership providing us with access to inter school events. To make use of collaborative and partnership working	Ongoing programme of events provided by Joseph Whittaker – for pupils of all ages and abilities	Particularly important for our small school – a wider peer group to challenge / set standards for our pupils
Continue to employ expertise of existing coach	£4000 on staffing + additional £8000 for 2017/18	To support the cost of providing our own specialist sports coach in school.	To maintain the highest of standards in the teaching and coaching of PE and games across all key stages in school.	Continuing exemplary practice – again, Sainsbury School Sports Award at Gold Level, maintaining this high standard for a fourth year (platinum level) Planning for sustainability – ensure that high quality PE & Sport can continue at St Mary's
Total amount of expenditure – to date				£8500 + £8000
